

District Level Launch – Bilaspur, Himachal Pradesh

On December 7, 2024, the 100-day Nikshay Shivir Campaign was launched by the SDM Bilaspur at the CMO Office in Bilaspur. The event was attended by health officials, TB Champions, and youth from nursing colleges in which 150 students from nursing colleges attended the event and all of whom committed to joining forces for the 100-day campaign to end TB in Himachal Pradesh.

During the event, the Nikshay Vahan was flagged off by the SDM Bilaspur. The SDM, CMO Bilaspur, health officials, youth, and all participants took a pledge to work towards ending TB in Himachal Pradesh.

School Sensitization Activity on TB Awareness at Government Secondary School, Kangar, Una HP

On December 10, 2024, during the 100-day Nikshay Shivir Campaign, a school sensitization activity was conducted at Government Secondary School, Kangar Block, Haroli, Una District. More than 100 students were sensitized about TB, its symptoms, testing, and treatment.

Students took a pledge to support efforts to end TB and actively participated in a Q&A session about the disease. They were also informed about government initiatives to eliminate TB, highlighting that testing and treatment are freely available at all government healthcare facilities, including HWCs, CHCs, PHCs, and district hospitals.

Nikshay Shivir Conducted at Jawahar Navodaya Vidyalaya, Chamba

On December 16, 2024, a Nikshay Shivir was organized as part of the 100-day campaign at Jawahar Navodaya Vidyalaya (JNV) Sarol, Chamba. During this Shivir, a total of 245 students from the residential school were screened, and X-rays were conducted using AI-powered portable handheld X-ray devices. Among them, nine students were found to have abnormal X-rays, and their samples were sent for CBNAAT testing.

The students were also sensitized about TB testing, prevention, diagnosis, and treatment. During the campaign, students actively participated by asking questions, enhancing their awareness about TB.

Empowering Future Healthcare Leaders through NTEP Collaboration

Under the Deendayal Upadhyaya Grameen Kaushalya Yojana, 150 students from the 6-month residential General Hospitals course took part in the 100 Days Campaign in Una District, Himachal Pradesh. They gained hands-on experience by visiting hospitals, meeting patients, and helping the National Tuberculosis Elimination Program (NTEP). The students supported patient counseling, guided patients to camp sites, joined awareness activities, and showed their dedication to making India free from TB. This effort gave the students valuable learning opportunities and also strengthened NTEP's work during the campaign, preparing them to play an important role in fighting TB in the future.

TB Par Charcha: Youth Engagement and Awareness Program at Government Senior Secondary School, Jadrangal, Kangra Himachal

On December 27, 2024, a special program titled “TB Par Charcha” was organized at Government Senior Secondary School, Jadrangal, Kangra District, Himachal Pradesh in which 120 students joined the session. The session, facilitated by Mr. Vishal Sharma, Drug-Resistant TB & HIV Coordinator from the District TB Center, aimed to sensitize teachers and students about the TB Mukht Bharat Abhiyan and the 100 Days Campaign for creating a TB-free India. The program included engaging discussions on TB awareness, its symptoms, and the importance of timely diagnosis and treatment. As part of the event, students and teachers actively participated in a rally to raise awareness and took a pledge to make Kangra district TB-free. This initiative highlighted the critical role of community involvement and youth engagement in achieving the goal of a TB-free India, setting a strong example of best practices in TB awareness campaigns.

Nikshay Shivir at Boys Hostel Matiana: TB Screening and Awareness

A Nikshay Shivir was held at the Boys Hostel in Matiana, where health staff screened students for TB and conducted awareness activities. They taught 30 students about TB symptoms, testing, treatment, and prevention. The session highlighted the importance of early detection and treatment. This activity helped students understand TB better and encouraged them to share this knowledge in their communities, making it a good example of involving young people in the fight against TB.

TB Awareness and Youth Engagement at Government Degree College Baldwara: A Step Towards Ending TB in Himachal Pradesh

On December 26, 2024, TB awareness activities were conducted at Government Degree College, Baldwara, District Mandi, Himachal Pradesh, where 120 students were sensitized about TB and the ongoing 100 Days Campaign. Students were urged to join the youth movement to end TB in Himachal Pradesh. During the session, they committed to participating in Nikshay Shivir camps every Sunday in the field and pledged to regularly share TB awareness messages through social media platforms. The students also took a pledge to contribute to making Himachal Pradesh TB-free. This initiative highlights a best practice in engaging youth as active participants in TB elimination efforts, leveraging their energy and networks to spread awareness and support government campaigns for a TB-free Himachal.
