Subject: - Guideline for procurement of drugs for Chemotherapy under NP-NCD programme.

Madam/Sir,

It has been decided to allocate funds to the tune of Rs 10 lakh per district hospital for FY 2025-26. The list of the district hospitals to which the funds have been allocated is attached as annexure-I.

The funds may be used for procurement of drugs for chemotherapy as per the following conditions:-

1. Drugs required for a cancer patient which are not part of the Essential Drug List (EDL) may be procured from this fund after following all codal formalities.
2. Drugs featuring in EDL but for which Rate Contract has not been finalized may be procured from this fund after following all codal formalities.

The expenditure of the same may be booked under budget line 107 (NCD Clinics at DH).
