**Terms of Reference:-**

It takes policy decisions on strategy, operations, resources, and timelines for TB elimination. It takes decisions on appropriate local adaptation of national guidelines for Revised National Tuberculosis Control Program [RNTCP], and seeks resources beyond the budgeted resources in RNTCP PIP. Samiti also takes final decisions on procurement of goods and contractual services for TB elimination. It guides the government on recruitment of regular staff to the key positions of TB control and elimination. This Smiti specifically focuses on intersectoral coordination and explores the role and responsibilities of each of the department and prepares a roadmap for action for TB elimination. This Samiti also reviews the performance of all departments in TB elimination. This Samiti also takes decision on the recommendations made by the Technical Advisory Group for TB elimination. Mukhya Mantri Kshaya Rog Nivaran Samiti meets once in three months.
