DFPISC report, approval from the Deputy Commissioner & DISC, and documents were scrutinized for consideration of cases presented by the district. The date of claim submission & date of operation along with verification and signatures of concerned authorities were found correct in the case of **Babli Devi W/o Kuldeep Kumar & Hemlata W/o Ravinder Kumar** and was approved by the State Committee.

The state committee emphasized following instructions for strict adherence by all districts:-

The outcome of each case should be documented properly and noted in the remark's column of the data reports.

1. Medical records and checklist for sterilization were found to be missing in some cases. District to ensure that it must be submitted along with every claim to SFPISC.
2. Prior to any procedure, clients should be properly counselled on sterilization failure, claim process in case of failure and the indemnity amount.
3. **Issuance of Sterilization Certification:**
 - a. Sterilization certification should be issued only after the client's next menstrual cycle resumes.
 - b. If the menstrual cycle has not resumed, Urine Pregnancy Test (UPT) should be conducted.
 - c. Sterilization certificate should be issued only if the UPT result is negative.
4. Each case must be described in detail in the District Quality Assurance Committee (DQAC) meeting minutes before submission to the SQAC committee member.
5. SFPISC to verify all the forms for their completeness and only duly filled forms to be submitted to SFPISC.

The meeting ended with vote of thanks.
