Subject: D.O. regarding TB case Notification targets for districts and blocks for the year 2025

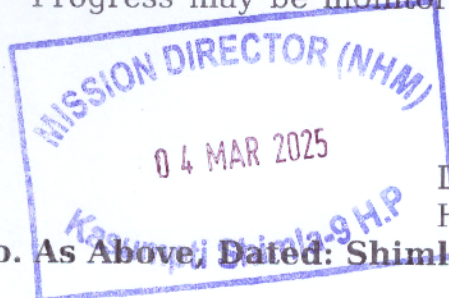

This is to share that CTD has finalized the total TB notification target of 14500 (13000 public sector and 1500 private sector) for the state of Himachal Pradesh which has to be divided among the districts

As you are aware, TB notification is based upon on the diagnostic cohort i.e. number of TB patients diagnosed (either microbiologically confirmed or clinically diagnosed) in a year in a district. Hence, TB notification depends upon the population size, number of healthcare facilities, and utilization of the health facilities by the public and private sectors in a particular district. Hence, based upon these facts and the performance of different districts in 2024 against the target, State TB Cell NHM has fixed the district-wise targets for the year 2025 as follows:-
